

Shelves typically of 1 x 10 (0.75" x 9.5")
 Larger books may stick out, but 1 x 12 shelving will accomodate them.
 Pine usually cheapest and looks good.
 Wider shelves & thicker supports.best when used for free-standing room divider.

3/4" x 1 1/2" diagonal supports
 best of contrasting color from shelves ~ hardwood preferred

Bookshelf_zigzag3

Sized for moving through 6'11" doorways

Designed and drawn by Larry Dobson
